

**FAAS**Team presents:

# **Aircraft Icing**

Scott Cabot, CFI and FAA Safety Representative will speak on winter weather by diving into weather forecasts and tools to use for your preflight action. Mr. Cabot will discuss the importance of maintaining situational awareness while enroute, on approach and during landing and taxi.

Jurg Grossenbacher, FAAS Team Program Manager from the Milwaukee FSDO will address winter operations including flight into icing conditions. This seminar we will discuss and icing accident that occurred in Wisconsin and we will update you on the latest information regarding winter operations. Please bring your questions we always encourage your participation.

Discussion points:

1. Accidents involving winter operations
2. Standard Operating Procedures

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

**Directions:** Please follow signs to Morey Field. The seminar will be held in the Morey Airplane hangar located Morey Field, Middleton, WI.
